### IT support                                jan 2024 - april 2024

Provided Tier 1 IT support to internal users at Purpose Black, delivering desk-side assistance. Ensured system security through software updates and vulnerability management. Diagnosed and resolved hardware and network issues, and managed the installation and support of workstation software, hardware, printers, phones, and mobile devices. Analyzed staff needs, identified vulnerabilities, and implemented efficiency-enhancing solutions.

### Customer Service Representative CCI (Instacart)        Dec 2022 - sep 2023

RResolved product and service concerns to aid retention and drive sales. Adhered to company policies and scripts, consistently meeting call-time and quality standards. Documented calls and complaints in the call center's CRM database. Managed calls from Canadian and American shoppers, handling order cancellations, rescheduling, and payment issues. As a certified representative, responded to customer inquiries and placed outbound calls for follow-up and satisfaction.
